Application for Prospective Approval for Out of Programme Training or Research [OOPT/R]

Notes:

1. This form must be submitted by trainees who want prospective approval to train or conduct research in a post not approved by the GMC towards training for a CCT in Anaesthetics or a Joint CCT in Anaesthetics and ICM, e.g. a clinical fellowship in the UK, a training post in another country, deployment on operations with the Defence Medical Services or research outside that permitted within the Deanery CCT programme.
2. Applicants should allow adequate time for approval to be granted by the GMC after submitting the request to the RCoA.
3. Applicants should not commit themselves financially or professionally until formal approval has been received from the GMC
4. **Trainees must complete the last 6 months of their CCT training in-programme and in the UK.**
5. If the applicant is unsure if the proposed training/research is classified as OOPT/R they should seek advice from the RCoA Training Department.
6. For OOPT/R which includes ICM or pain medicine, the application will require the agreement of not only the anaesthesia Regional Adviser but also the respective Regional Adviser for ICM or pain medicine.
