Data Protection Statement

The Faculty of Pain Medicine (FPM) is fully committed to the principles of data protection, as set out in the General Data Protection Regulation (GDPR). The FPM relies on legitimate interests as the lawful basis for processing of personal data. We process and maintain personal data about you so that we can manage your membership, provide you with appropriate products and services and share information with you about FPM activities.

The information provided on this form will be processed and shared with those involved in the delivery of your training, namely Regional Advisors, College Tutors, Postgraduate Deans and relevant deanery staff and the GMC. Sharing of the data in this way is necessary for you to progress through the RCoA CCT Training Programme.

We will only use your information for the purposes as described and will not pass on your details to other third parties unless you have given us consent to do so.

We use appropriate organisational and technical measures to ensure that your data are secure and protected from loss, misuse and unauthorised access or alteration.

You have the right to ask for a copy of the information we hold about you and to have any inaccuracies in your information corrected. If you have any questions about data protection or require further information, please email contact@fpm.ac.uk.
