

# FFPMRCA Examination SOE Online Tutorial Programme

Course Facilitator: Dr Nofil Mulla

This on-line course is aimed at those studying for the FFPMRCA SOE examination and will cover key areas that have proved difficult for past examination candidates.

Delegates will have access to pre-recorded lectures and associated powerpoint slides as listed below, up to the SOE exam on 13 April 2021.

- **FFPMRCA examination overview** | *Dr Nofil Mulla, Bedfordshire Hospitals NHS*
- **Neurobiology of pain** | *Dr Athmaja Thottungal, East Kent Hospitals University NHS*
- **Cancer pain** | *Dr Matthew Brown, The Royal Marsden NHS*
- **Paediatric pain** | *Dr Dilini Rajapakse, Great Ormond Street Hospital NHS*
- **Opioids and addiction** | *Dr James Wilson, Maidstone and Tunbridge Wells NHS*
- **COVID-19 and chronic pain** | *Dr Arif Ghazi, Royal Free London Hospitals NHS*
- **Neuromodulation and spinal cord stimulation** | *Dr Tacson Fernandez, Royal National Orthopaedic Hospital NHS Stanmore*
- **Chronic pelvic pain** | *Dr Sandesha Kothari, Guy's and St Thomas' NHS*

There are two live on-line tutorials at 13:30 on Tues 16 and Thurs 25 March covering:

- **Case reports** | *Dr N Mulla (Tuesday 16 March 13:30-15:30)*
- **VIVA Voce practice** | *Dr N Mulla (Thursday 25 March 13:30-15:00)*
